Friday 3rd February 2011

Dear Parents,

On Friday 10th February the Foundation children have been invited to visit the Leamington Gudwara. As a part of this visit the children will be given a tour of the temple and will learn about how this special building is used. The children will be visiting in the morning and will stay for about an hour.

After February half term in Foundation we will be investigating the topic of Animals. We have been working alongside Foundation colleagues at Telford Infants to plan an exciting learning experience on this theme.

As well as tasks and investigations in the classroom we have planned trips and experiences to enrich the children's learning. These will include:

- A visit into school by Pet Zoo.
- Live chicken eggs hatching in the classroom.
- A day trip to a Bluebell wood and to visit the chickens at their new home.

To cover cost of all the above experiences we do ask for a voluntary contribution of £13.65 per child. These experiences can not go ahead without this voluntary contribution. Payment will be taken as permission given for your child to go on the trip.

Would you please complete and return the attached form, preferably by email to the school office.

Yours faithfully,

Miss A Bryan
 Mr M Jacobs

Child's name.....Class.....

I give permission for my child to take part in the Gudwara visit and the Animal Topic experiences

I have made a voluntary payment by parent Pay.....
