A place to think and grow

Friday, 25th November 2011,

Dear parents,

As promised I am writing to give you an update about our arrangements for November 30th.

Our current plan, based on the information I have been so far given, is that the following classes **will be open** for the day.

Class 2SB and Year 2JB

Class 3L and year 3HA

Class 4LW

All other classes will be not be open on that day.

I appreciate that this will cause inconvenience to parents. To help to minimise this disruption I am proposing to open the Out of School Club for the day. There will be a limited number of places so this provision will be on a first come first served basis. **All**

Eco Schools

places must be booked and paid for by Monday 28th November at 4.00pm. After this time, places may be offered to other local schools.

Please contact Laura at the After School Club on 01926 426284, via email on a g233001.a@we-learn.com or by calling in at the club and booking directly with her.

There will be a charge for this service at the same rate as our play scheme. (£25 for a full day and £16 for half a day).

Children will be able to have a school dinner or bring a packed lunch as normal.

We would ask that payment for this day be in advance to secure your place. Please pay via parent pay.

Please also note that the school office will be closed so there will be no telephone or email communication.

First aid cover however will be maintained.

Please note that this letter is based on the information that I have to date. If the situation changes we shall inform you as soon as possible.

Yours sincerely,

Angela Stanton
