

EYFS Spring 1

Who helps us?

Communication and Language

We are developing our vocabulary based on new words we learn.

Physical Development

I am getting better at moving in different ways.

Physical Development

I am getting better at forming my letters

Understanding the World

I am learning about different jobs

Personal, Social and Emotional Development

I am learning how to keep my body healthy

This topic is placed to coincide with the school's PSED scheme which has a focus on health. We want the children to appreciate people in society that serve us. Within this topic, children draw on their understanding of society and what parts we have to play in it. They reflect on who helps us and what their role is. They also develop their understanding of their own futures and what they might like to be in the future.

Literacy

I can start to write labels using sounds I have learnt

Expressive Arts and Design

I can tell a story through role play

Understanding the world

I am learning about how to be safe online

Maths

I am learning about numbers 5-10
