

Topics of Learning Foundation 2023/24

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Me and my classroom	What do we celebrate?	Who helps us?	What's growing?	How do we get around?	What lives on our planet?
In this topic we get to know the children and they learn about their environment. We spend time focussing on the prime areas of learning.	In this topic we will be learning about different cultures and their different celebrations. We learn about our families and what they believe.	In this topic we will be learning about people who help us in different areas of society.	In this topic we will be learning about how we grow.	In this topic we will be learning about different modes of transport that are used.	In this topic we will be learning about the different life forms on our planet.
