

English

We will use a fictional adventure story over the next half term that links to our History learning on the Anglo-Saxons. During our English lessons, we will write for a variety of purposes including; descriptions, letters of persuasion, poetry, diary entries and narratives.

Maths

In Maths, the children will consolidate their work on multiplication and division facts. They will also be working on shape and perimeter, identifying regular and irregular polygons. We will finish the half term looking at fractions, which will continue into Spring 2.

History

This half term, we will be learning about the Anglo Saxons, their invasions, settlements and kingdoms. Additionally, we will learn about what life was like living in an Anglo-Saxon village, as well as learning more about their art, culture, and religion. We will be visiting Tamworth Castle

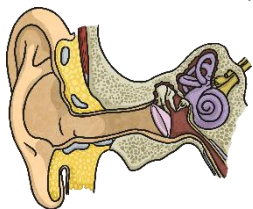

PSHE

In PSHE, we will learn how to manage our emotions particularly during change. We will also look at being healthy and drugs education.

Science

We will be focusing on Sound.

- Identify how sounds are made and how we hear them.
- Investigate pitch.
- Explore materials that sound can pass through.

Spring 1 Year 4

RE

This half term, we will applying our knowledge of religion to see how different religions can teach us about right and wrong. We will also look at how we can tell right from wrong without religion.

Music

Pupils receive one hour of curriculum music teaching per week delivered by a specialist music teacher. This focusses on four main areas of teaching and learning: singing; composing/improvising; performing and listening.

PE

In our PE learning this half term will be learning about the influence of folk dance and the Haka, creating and improving patterns as a group. Some of us will be going swimming.

Spanish

Family tree and faces

- Epiphany celebrations in Spain
- Names and information about family members
- Names for parts of the face
- Using simple sentences

Computing

Photo Editing

- Rotate and crop images
- Change colour and brightness
- Clone and retouch
- Copy and paste

Art and Design

In Art, we will be looking at the Anglo-Saxon's use of patterns and printmaking onto fabric.

- Learn about the Bayeux Tapestry
- Develop printing skills
- Explore printing techniques onto fabric
- Design our own Anglo-Saxon inspired patterns
- Peer evaluate our artwork.
