## Year 1 Fire Safety

Yesterday Year 1 had a visit from Red Watch who are based at Leamington Fire Station. The children were taught that there are different kinds of fire – some good and some dangerous!

They watched a film about the danger of playing with matches and lighters. They learnt what to do if their clothes caught fire – Stop! Drop! Roll! They also found out how important smoke detectors are and how to crawl below the smoke to escape a fire.

Smoke detectors are available from Warwickshire Fire Service and can save lives!

**Can you guess who this is trying on a firefighter's kit for size!**

## Festive fun at the Christmas Fair!

A massive thank you to everyone who supported this year's BSA Christmas Fair!

Together we raised over £2500 which will go towards supporting projects across the year to enhance our children's school experience.

Brookhurst families enjoyed raffles, tombolas, homemade cakes and a very magical Santa wonderland—that would rival anything that Hamleys could create!!

The school choir delighted their audience with a series of Christmas favourites and even they were left speechless when Elsa from "Frozen" joined them in their rendition of "Let it Go!"

A magical day which could only have been made possible by an army of wonderful volunteers—parents, staff, sixth formers from Trinity school and even a local Scout troop! The very generous donations from local companies and parents, who all rallied to the cry for jam jars, bottles and books and ultimately from the attendance of so many parents, children and friends of Brookhurst school made it such a fantastic event!

We looked forward to welcoming you to our next event and thank you again for your continued support.

Merry Christmas from the BSA!
