# Year 4 visit Warwick

On Wednesday all of Year 4 took a trip to Warwick to explore how it has changed over time and why.

First of all, we explored Mill Street and the children looked at the variety of buildings and discussed how old they thought they were and what they were used for.

After that, the children then got a chance to have a walk around Warwick and to go into the Market Hall Museum

Once again the children represented Brookhurst fantastically with their behaviour.

Thanks to everyone who made this such a great trip especially the parents.

Miss Pillow and Mrs Snatt.
