## Year 6 at Marle Hall

On Monday 17<sup>th</sup> October, Year 6 left school behind them to take part in a fabulous week of exhilarating activities in North Wales.

The children pushed themselves outside of their comfort zones, tried out new and challenging activities and worked as effective and supportive team members.

Marle Hall is a breath-taking experience!

Marle Hall is a place that pushes you to the brim but you still have a heap load of fun and there are a lot of responsibilities to carry out.

Priya Malle

Marle Hall is a good place with lots of activities to do and you are with your friends and having fun.

You learn lots of fun things.

Melwin Werner

I was transfixed as I stared at the magnificent and mature structure of Marle Hall.

I looked around me and saw the elegance of the Welsh countryside.

Charlie Butt

Four Words—Team work, Bravery,  
Responsibility and Respect.

All four of these are increased and you  
have the 5th—FUN!  
This is where you grow up.

Daniel Marshall

Marle Hall is a fantastic, exciting, sociable and active experience.

Take it from a Year 6 child—it is EPIC!

Ben Cole

I enjoyed everything at Marle Hall.

I think that it was an amazing experience and it is something that I will never forget.

Santiago Rodriguez-Ramos

A memorable moment for me at Marle Hall was when the water level was too high for our team (team 1) to go through the Elephant's Bottom—so instead we fell in to the ice cold water backwards.

Madeleine Willers

My favourite activity was definitely the Slate mine because the environment was full of Welsh slate.

Almost everything was flooded with cold water.

Preston Emberson-Whitby
