

Be Happy Day

1st DECEMBER 2016

Little Acts of Kindness

Brookhurst School will once again be supporting local charity Evelyn's Gift by joining in 'Be Happy Day' on Thursday 1st December 2016.

The charity supports local people in need with little acts of kindness and we would like everyone at Brookhurst to take part in Be Happy Day by doing an extra little act of kindness on that day. It doesn't have to cost money and it doesn't have to be a big thing – just something small to brighten someone's day.

We will be providing 'Be Happy Day' stickers for everyone to wear on the day.

Donations to Evelyn's Gift are very welcome (please leave at school reception). All donations received on Be Happy Day will be donated to the family of nine-year-old Alexander Goodwin, a Midlands schoolboy who needs £120,000 to travel to America for Proton Beam Therapy cancer treatment.

About Evelyn's Gift

Evelyn's Gift was set up to do something positive in memory of local schoolgirl Evelyn Smith. The charity offers little acts of kindness to people in need and provides training in CPR and essential life-support skills.

Evelyn's Gift has provided support for local women's refuges, Leamington Night Shelter, Myton Hospices, St Michael's Hospital, Lillington Youth Centre and many other local causes.

The charity is also part of Warwickshire Hearts, an initiative which aims to reduce the number of deaths from cardiac arrest in the area by providing free CPR and defibrillator training to members of the public. To find more visit www.warwickshirehearts.org
