Dear Parents and carers

Bo fundraising day - 17th April

To kick start our fundraising for UBC school in Bo, Sierra Leone, Bo Club are asking that all children dress in the colours of the Sierra Leone flag (blue, green and white) on the first Friday of the summer term and bring a £1 donation towards our UBC renovation project.

Following the Ebola crisis all children are returning to classes this April for the first time since July 2014. However, UBC are unable to provide their 800 pupils with safe, clean water for drinking or hygiene as the handle for the school pump was stolen some years ago and the water contaminated. We are aiming to raise £2000 as a school to pay for new well equipment and to replace a dangerous roof over two classrooms- described by government visitors as a "death trap" - so that our friends at UBC have a better chance of completing their primary education.

Further fundraising and fun days are being planned by Bo Club and we are really looking forward to making a significant difference over the next term.

Thank you for your support

Ms Houlihan and Bo Club
