You will appreciate that for safety reasons we have to restrict the number of tickets issued for each performance. Please note that all watching children require tickets, including babes in arms.

Please note, you can only order TWO tickets per family, not per performance or per child, and you must have a child in the performance for which the tickets relate.

If you have childcare issues on the 15th December because you have children in both 6pm and 7pm performances, a member of staff will be available in a classroom to supervise them during both performances.

If you wish to be placed on a waiting list for any extra tickets that may be available, please let the office know.

We will be using the new Parents Evening System for allocating tickets. This can be logged into in the same way as booking for parents evening meetings. You will receive an email confirming your booking.

Bookings of tickets can be made from 6pm today.

Please visit <https://brookhurst.parentseveningsystem.co.uk> to book your tickets. A screenshot of the Login page is attached. Please login with the following information:

Yours sincerely
