Dear Parents and Carers

I am writing to you to give an update about Miss Stanton. As you aware, Miss Stanton had an accident in June and was signed off work for the last 5 weeks of the Summer term.

Unfortunately Miss Stanton is still recovering and has been signed off work for a further 4 weeks.

I will, of course update you all with any further information and I am sure that you will all send her your best wishes.

Yours sincerely,

Mark Hughes
Deputy Head Teacher
