

Brookhurst Means Business!

Last year, the BSA and school teamed up for [Brookhurst Goes Global](#), including international week and culminating in our spectacular and colourful internationally themed summer fair.

This year, we are working together again to present [Brookhurst Means Business](#). Watch out for further information about ... careers events, the 'Grow a Pound' project, and, of course, our summer fair!

We are looking forward to a fun-filled term that will inspire children to think about the world of choices available to them.

We are also looking to raise more valuable funds to support their learning and enjoyment at school. Key Stage 1 playground equipment, supporting Forest School, and more fabulous graphics to brighten up the walls are all on the shopping list this year.

How can I help?

- ✓ Come to our planning meeting on [Thursday 24th May, 9-10am at school](#). The more the merrier!
- ✓ Could you help with the careers theme by coming to talk about your work? Or maybe your workplace could host a small group visit? Any ideas and inspiration most welcome.
- ✓ Would you like to do your bit without having a huge time commitment? Then maybe you'd like to join our uniform sales rota?
- ✓ The main thing is to keep in touch! There will be lots of opportunities to help out this term - both big and small. Watch out for emails, posters, newsletter articles and Facebook posts.

THANK YOU!

Looking forward to a super summer term with the BSA ...

The sponsored bounce is back! It will take place on the field during school time on **Friday 18th May**. Sponsor forms were sent home with children at the end of last week.

Second-hand uniform sales are also back! Come and buy Brookhurst logo items for just £1 each. **From 3pm on Monday 21st May**.

Careers events start and continue after half term. Watch out for more information about what's in store.

BSA summer fair planning meeting. Come along, bring your ideas, and help shape the exciting plans for this year's event. **Thursday 24th May, 9-10am** at school.

Grow a Pound initiative starts. This is an exciting fundraising opportunity for children in Foundation to Year 5, while Year 6 focus on their annual business week later in the term. Information about taking part was sent home with children this week. Children should submit their ideas to school council by **Friday 18th May**.

Ice lolly Fridays are back! Come and buy your lollies and summer fair raffle tickets after school on **Friday 22nd June, 29th June** and **6th July**.

Brookhurst summer fair! We are looking forward to another spectacular event after school on **Friday 13th July**, filled with sun, fun and fundraising.
