

Brookhurst Grow a Pound

WELL DONE to everyone who has worked hard on their Grow a Pound projects over the past few weeks! There has been such a buzz and we are delighted with how you've all got stuck in and supported each other with some wonderful ideas. The project ends today, so please can you now gather your takings and return them to the school office ASAP. Please remember to include the form you received with your original pound, and seal it in an envelope marked 'Grow a Pound'. **THANK YOU!**

Let's lose those queues and paint more smiles!

At this year's summer fair, we are sticking to a simple set of designs so that more children can enjoy having their face painted without such long queues! Any help would be much appreciated, particularly near the beginning of the fair. No artistic talent or previous experience needed! All brushes and paints will be provided and our stall lead is more than happy to give you a demo. Please let us know if you can help.

How else can I help with the summer fair?

Donate!

- Second-hand **toys**
- Second-hand **books**
- Second-hand **uniform** (logo items only)
- **Bottles** for the tombola (anything from whisky to shampoo!)
- Lightly coloured **pebbles** for 'Brookhurst rocks' craft activity

Although any volunteer offers will be welcome, we particularly need help with the following ...

Volunteer!

- Joining the Year 4 teachers manning the bouncy castle
- Serving lemonade and juice
- Serving food on the barbecue

THANK YOU!
