<p>How could we improve the event if we ran it again?</p>	<ul style="list-style-type: none">• Have clearer briefing and instructions at the start of the afternoon for parents• More organised instructions for the children• Teachers to be more engaged• Have spare gloves, have black, green bags readily available• Provide better communication in advance• Provide a longer time slot or stagger these activities over the space of a few days to help eliminate overcrowding• Provide a poster or leaflet listing the goals for each section/class• Circulate more after photos• Not do an activity which require children to purchase items which they done ordinarily have• Have a reserve date due to weather
<p>Do you have any suggestions for an Autumn Term Collaborative event?</p>	<ul style="list-style-type: none">• A house festival - making banners/decorations/mascots/house songs/building something• Anything creative based or project for third world children• Bike/scooter maintenance or anything which would encourage children to get to school and/or do their errands on their own steam, with the aim of cutting down on small car journeys• Christmas craft making session• A science day where parents come in and do experiments or make a world record attempt• Making autumn trees and leaves with hands and feet• A joint adults/children singing workshop with Mrs Honey or Jill Davies• Painting/decorating• Sponsored readathon to raise money for school library• Set up shops and have parents come and buy stuff to understand money• Spinney tidy up/Ground maintenance/Environmental project/Leaf sweeping/Litter picking• Have an event where siblings could all spend time together (with parents) as well, just as something different from working in their class groups
