<p>How will you use the information to support your child with their learning?</p>	<p>I now understand the scheme more so will be able to encourage them. Thank you. I waited outside with the door closed. I would like to ask questions about the quiz/assessment. I understand the framework but don't understand why my children seem to have dropped their reading levels so dramatically. Will be able to talk about AR and what they've done at school already and then also think about it and read more at home. Thank you. Will encourage my child to read more books. More conversation about books read at school and a measure of progress over the year.</p>
