More details of this including an agenda and the dates of our next 3 BSA meetings for your diary will be sent out soon.

### Brand New Key Stage 1 Playground

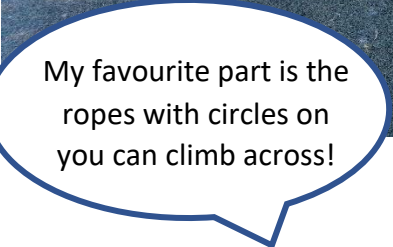

The new key stage 1 playground equipment we think you'll all agree looks amazing, installed over the summer break this project was wholly funded by money raised by the BSA, which is a fantastic achievement. The equipment has not only already seen plenty of use it's certainly been given the thumbs up by the children! Large scale projects like these shows just what can be achieved with everyone's help and support in organising fundraiser events throughout the year.

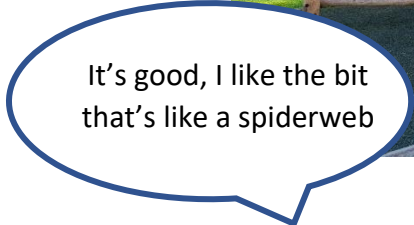

I love the net at the end that you can climb over!

I like the balancing posts with the rope you hold on to!

My favourite part is the ropes with circles on you can climb across!

It's good, I like the bit that's like a spiderweb

## Foundation Welcome Event – Thank you for coming!

We really enjoyed welcoming some of our new parents last Saturday at Dragon Fields. The sun was shining, the children had great fun hunting for our BSA bugs in the trees and there was a whole lot of cake!! We hope to see you all again at our future events or meetings.
