CV35 7TR

Activity Information

Baby Time: An opportunity for mums to meet and socialise with their babies (generally up to the age of 12 months and/or before they are more mobile) and includes singing and sensory play.

Child Minders Play Together: Free play session for local child minders. Enjoy lots of indoor and outdoor activities.

Speech & Language Drop In: No appointment required. Come and discuss your child's speech and language development with our Speech & Language Therapist.

Sydniwinks: Parent and Toddler group running at the Sydni Centre.

Toddler Time : For toddlers who are walking as there are messy play activities organised each week so has a more structured approach than baby time. There are various play activities (indoor and outdoor), a snack time where the children can socialise around the table while they snack and towards the end of the session there is singing.

Health Visiting Team Clinic: Talk to a trained health care professional about any family health or developmental concerns and/or get your child weighed. If your child is ill please contact your GP.

CALMs Group: A local parents support group for parents with babies born more than 3 weeks early
