

School

Brookhurst Primary School

The school will do its best to:

-  Provide an environment which has been risk assessed in response to the COVID-19 infection;
-  Adhere to the social distancing rules as set out by the government as much as we reasonably can;
-  Provide a curriculum that meets the needs of your child's well-being, mental health and academic needs;
-  Contact parents/carers if your child displays symptoms of COVID-19;
-  Inform you if staff or children in your child's 'bubble' show symptoms of COVID-19 as this will mean you will all need to self-isolate for at least 14 days or until the test comes back negative;
-  Continue our clear and consistent approach to rewards and sanctions for children as set out in the Behaviour Policy as well the expectations outlines in this agreement;
-  Communicate between home and school through notices, newsletters, text, email and the school website.

Parent

Parent/Carer.....

To help my child at school, I know and understand that:

-  If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school, we will self-isolate for 14 days as a family, I will get them tested and I will let the school know as soon as possible via telephone;
-  If my child, or another child in the group, shows symptoms of COVID-19 at school, I will collect my child from school immediately;
-  On my commute, and when dropping my child off and picking them up, I will adhere to the 2 metre social distancing rules.
-  When dropping off and picking up, I will strictly stick to the school timings for my child;
-  My child must not bring any items into school with them or take items home from school;
-  I will need to remind my child about social distancing rules but accept they are difficult to follow and that my child may not always do this successfully
-  My child will need to use good respiratory and hand hygiene;
-  I will not be allowed into the school without a pre-arranged appointment – make appointments via telephone or email;
-  I need to support all staff in their efforts to create an 'as safe as possible' environment during this crisis;
-  Read all letters/messages/emails that are sent home;
-  I need to inform the school immediately of any changes to parents/carers and emergency contacts details.
-  If my child is deemed unsafe, he/she will be sent home and cannot return to school until they can be safe.

Child

Child's name..... Class.....

I will do my best to:

-  Adhere to the social distancing rules in class and in the playground;
-  Tell an adult if I feel unwell;
-  Not bring things into school from home, or take things home from school;
-  Only use the equipment provided to me by school and no other;
-  Not mix with any other children in the school;
-  Only enter and exit the school building from the designated gate;
-  Follow good respiratory hygiene: coughing and sneezing into elbow or tissue (catch it-bin it-kill it);
-  Follow good hand hygiene – use soap and water for 20 seconds/ hand sanitiser;
-  Only use public transport if absolutely necessary and ensure I socially distance and wear a face covering, if I do;
-  Behave well at all times to maintain the safety of myself and others;
-  Follow these expectations and know that if I don't, I will be sent home and will not be able to come back into school until I can be safe.

We will use the following to support our learning and keep in contact with our Year group

The 6 Steps of Hand Washing

The most important symptoms of coronavirus (COVID-19)

new and continuous cough

high temperature

loss of, or change in, your normal sense of taste or smell (anosmia)

If you have symptoms of coronavirus, you need to **self-isolate for 7 days**
 If you live with someone who has symptoms, you need to **self-isolate for 14 days** from the day their symptoms started

For most people coronavirus will be a **mild illness**. However if you have any of the symptoms you should self-isolate at home

CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.
